Chairman's Message

Rajan Syal – Team Firefox

*It is our privilege and honour to announce the revival of India's famous international motoring event, **Himalayan Rally 2.0**. Our special thanks and appreciation to the **Government of Uttarakhand** and **Uttarakhand Tourism** for their generous support in sponsoring this event.*

*The **Himalayan Rally** of the 80s was the brainchild of the late **Nazir Hoosein**. Some memories never fade. Ask any motorsport enthusiast, and they will proudly recall the Himalayan Rally and its ever-popular four-time champion, Jayant Shah, who became a household name in every town and village the rally passed through during its eleven editions across the challenging terrain of the High Himalayas.*

*By bringing you **Himalayan Rally 2.0**, we hope to revive the challenge and spirit of motoring in the beautiful Himalayas in the state of Uttarakhand, known for its natural beauty and its unique challenges and in turn bring the spirit of The Himalayas to every corner of the world.*

History of the Himalayan Rally *1980-1990*

The original Himalayan Rally quickly established itself as one of the world's most respected endurance rallies. Covering open plains, riverbeds, dense forests and high-altitude Himalayan passes reaching 14,000 feet, it tested both driver skill and machine reliability in equal measure.

India's first truly international motorsport event, it earned the support of the Ministry of Tourism and, with Air India's assistance, became a round of the Asia-Pacific Rally Championship. Each edition attracted over 120 entries, including factory teams from Nissan, Mitsubishi, Subaru, Opel, Mazda and Maruti, firmly placing India on the global motorsport map.

Across eleven editions, the Himalayan Rally became an enduring symbol of adventure, resilience and international competition, leaving behind a legacy that continues to inspire generations of motorsport enthusiasts.

The 2027 Event *In Brief*

The rally will be a four-day event conducted over three legs in a cloverleaf pattern. Total distance including special stages will not be more than 1500 kms. Rally Guide of the event will be available by 30th September 2026 on our website www.thehimalayanrally.com and www.thehimalayandrive.com.

This event will be a ASN (FMSCI) Sanctioned National Event with International Participation.
